

DISCONTINUANCE OF SEWER SERVICE APPLICATION

WINSTON CITY ORDINANCE NO. 269 (as amended) declares :

Section 12. Discontinuance of Sewer Service. When any improvement which is connected to the municipal sewer system is destroyed by fire or is torn down and no longer connected to the sewer system, the owner shall file a certificate with the City Recorder stating the date of destruction or removal of said improvement and pay all sewer service charges to the date of said destruction or removal and shall have the sewer connection sealed off and approved by the Public Works Supervisor. Thereafter, there shall be no monthly service charge made to said property until new improvements are placed on the premises and connected to the sewer system. At the time of any reconnection to the sewer system there shall be paid by the applicant a fee of \$100.
